STAR+PLUS

STAR+PLUS

STAR+PLUS is a Texas Medicaid-managed care program for adults who have disabilities or are age 65 or older.

The STAR+PLUS program provides basic health care services, such as:

- Long-Term Services and Supports
 - Helping in your home with daily activities
 - Home modifications
 - Respite (short-term supervision)
 - Personal assistance.

Members, their families and providers work together to coordinate members' healthcare, long-term care and community support services.

Service coordination is a main component of the STAR+PLUS program. A service coordinator works with the member, the member's family, the member's doctors and other providers to help the member get the medical and long-term services and support they need.

THE HEALTH PLANS OF EL PASO FIRST

Special Investigations Unit (SIU)

SIU Team Purpose

Texas requires all Managed Care Organizations like El Paso Health to establish a plan to prevent and detect Waste, Abuse, and Fraud (WAF).

This plan is carried out by El Paso Health's Special Investigations Unit (SIU).

El Paso Health SIU Team conducts monthly audits of our network providers and members.

We will request Medical records for review to prevent FWA in accordance with Texas Administrative Code.

What We Look For

When we are auditing claims we identify several factors which include:

- Documentation
 - It is important to document time in and out.
- Coding
 - Append the correct required modifiers.
- Authorizations
 - When required, ensure authorization is obtained prior to the services being rendered.
- Frequency
 - Confirm the authorization has not been exhausted.

Medical Records Request

We will send providers the request for medical records as follows:

- 1st request faxed with a 4 week deadline.
- If no response within 2 weeks, 2nd request faxed and provider is called.
 - Given same deadline date as the first request.
- If no response within 1 week, final request faxed and contact with provider is made.
 - Same deadline date as first request.

Please make sure you and/or your Third Party Biller handle a records request with urgency.

Extension may be granted but **must be requested in writing before the Records Request due date. (email is ok)**

Failure to submit records results in an automatic recoupment that is not appealable.

Prohibitions on Balance Billing

Members cannot be held liable for any balance related to covered services.

Network Providers and Out-of-Network Providers are prohibited from billing or collecting any amount from a Member for covered services.

According to Section 1.6.10, Billing Clients from Provider Enrollment and Responsibilities from the Texas Medicaid Provider Procedures Manual: Vol.1:

‘Providers cannot bill nor take recourse against eligible clients.’

Third Party Liability-Medicaid Managed Care Provider Requirements

Third Party Liability – Medicaid Managed Care Provider Requirements

- The Texas Health and Human Services Commission (HHSC), Office of Inspector General-Third Party Recoveries division (OIG-TPR) has recently seen a high number of escalations due to a Medicaid provider refusing to see a Medicaid Member because the Medicaid Member has other health insurance.
- Providers who participate in Texas Medicaid may not refuse services to eligible Medicaid Members due to potential other health insurance coverage. Additionally, providers are reminded that Medicaid-eligible Members cannot be held responsible for charges exceeding a third-party liability (TPL) payment for services covered by Texas Medicaid.
- If the TPL pays less than the Medicaid managed care amount, providers should submit a claim to the Texas Medicaid MCO for any additional allowable reimbursement.

Benefit Limitations and Exclusions

Some covered services may have limitations or require a prior authorization.

There are certain services that are excluded from the covered benefits for STAR and CHIP members. Examples of exclusions include, but are not limited to, the following:

- Elective surgery to correct vision
- Prostate and mammography screening
- Immunizations solely for travel
- Custodial care
- Personal comfort items (e.g./ telephone, newborn infant photographs)

These benefits require you and/or your family to reach payment maximums, labeled "Plan's Maximum" before your plan pays a greater share of the cost. These maximums can be reached in two ways: when you've satisfied your individual maximums, or when your family has met its maximums. Payments made by members are credited both to their individual Amount Satisfied and to the family's, up to the individual maximum amount. Individual maximum requirements are waived when your family maximum is reached. The amount satisfied column will read "Met" if an individual or family maximum is satisfied.
