

## MEMORANDUM

**TO:** Valued STAR and CHIP Providers

**FROM:** El Paso Health

**DATE:** 02/06/2024

**RE:** Hepatitis C Educational Webinar for Prescribers Occurs March 6, 2024

HHSC contracted with drug manufacturer AbbVie to improve awareness, screening, diagnosis, and treatment of the Hepatitis C Virus (HCV) for Medicaid clients. HCV is a liver infection caused by a virus and often develops into a long-term or chronic illness. If untreated, HCV can cause significant damage to the body, such as liver cancer and cirrhosis.

### Key Details:

In support of the HHSC initiative to improve awareness, screening, diagnosis, and treatment of Hepatitis C Virus (HCV) for Medicaid clients, AbbVie will host an educational event for prescribers called Treating Hepatitis C with Mavyret in your Practice on March 6. Registration ends Friday, March 1. MCOs are encouraged to share information about this event with your provider network.
